

Annovae™

STEP 2

Annovae Clear Skin System - Treatment Serum

Formulated with 2% plant-based salicylic acid using patented QuSome® delivery technology, this serum exfoliates and removes surface impurities that lead to skin congestion and breakouts. The advanced delivery system helps accelerate results with improved efficacy, to visibly refine skin texture and keep pores clear. Aids in balancing sebum secretion without causing transepidermal water loss (TEWL). Contains an anti-oxidant complex to produce softer, brighter, revitalized, and a more radiant complexion.

Key Performing Ingredients:

***QuSome® technology:** A proprietary molecule for the delivery of the active raw materials, as well as a customized compounding procedure to ensure that the active raw materials are encapsulated and delivered subdermally in their most pristine and active state.

Canadian Willowherb Extract: A powerful multifunctional active that greatly reduces irritation, scavenges free radicals, and has effective antibacterial properties.

Wintergreen Leaf Extract: Potent botanical source of Salicylic Acid, a proven acne active raw material that gently exfoliates and refines. Has anti-microbial and anti-inflammatory properties, while eliminating excess sebum, purifying the skin, and smoothing wrinkles.

Benefits:

- Refines pores and exfoliates to help remove impurities.
- Cools, calms, and refreshes skin upon application.
- Paraben Free formulation that is suitable for all skin types.
- Safety tested.

*QuSome® is a patented delivery technology and registered trademark of BioZone Laboratories, Inc.

IDEAL FOR: NORMAL TO BLEMISH-PRONE

Active ingredient: Salicylic acid 2% (w/w)

Other ingredients: Water, alcohol denat., glycerin, epilobium angustifolium (canadian willowherb) extract, gaultheria procumbens (wintergreen) leaf extract (source of salicylic acid), xanthan gum, citric acid, niacinamide, potassium sorbate, peg-12 glyceryl myristate, sodium benzoate, camphor, aloe barbadensis (aloe vera) leaf juice, tocopheryl acetate, calcium pantothenate, pyridoxine hcl, sodium ascorbyl phosphate, maltodextrin, sodium starch octenylsuccinate, silica, vanillin, mentha arvensis leaf oil, melaleuca alternifolia (tea tree) leaf oil, cinnamomum camphora (camphor) bark oil, mentha spicata herb oil, mentha cardiaca herb oil, lavandula angustifolia (lavender) oil, eucalyptus globulus leaf oil, lavandula hybrida oil, caprylic/capric triglyceride

How To Use The Regimen:

NORMAL TO DRY

NORMAL

OILY

BLEMISH PRONE

STEP 1

Facial Cleanser (am-pm)

STEP 2

Treatment Serum (optional am-pm)

STEP 2

Treatment Serum (am-pm)

STEP 2

Treatment Serum (am-pm)

STEP 3

Protecting Moisturizer (am-pm)

STEP 4

Zap It (optional, when needed)

STEP 4

Zap It (1-3 times daily, when needed)

Directions:

Use 1-2 pumps on cleansed skin. Apply liberally to face and neck, avoiding eye area. Use morning and evening after Facial Cleanser.

Caution: For external use only. Use only as directed. Discontinue use if irritation occurs. Avoid contact with eyes. Keep out of the reach of children. Not to be used for children under 3 years of age. If skin becomes dry or irritated, reduce application to one time daily. When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time. Avoid unnecessary sun exposure and use a sunscreen.

Use: AM-PM
